## The Leadership Corner

### Retaining Older Scouts in Your Unit

Young men are busier today than ever before because of a number of activities that compete with Scouting for their time. This number only increases as a Scout grows older. Many units find themselves lacking the older Scouts that are desired to maintain a healthy size troop and program.

What are some steps that can be taken to help retain older Scouts in your unit?

“ Commit your unit to youth leadership. Work to make sure your PLC is doing the planning. Do your older scouts feel responsibility and take ownership of troop program?

” Go camping once a month. Scouting is outing and challenging outdoor activities is one way that Scouting can differentiate itself from other activities that you are competing with. Encourage participation in other Scouting activities. Summer camp staff, Junior Leadership Training, Order of the Arrow, and Venturing all provide Scouts new experiences and alternatives while keeping them active in the program and most likely active in your unit.

## Chief's Corner

By Andrew Coggiola  
Lodge Chief

I have written many articles for the Otter Side but many were not as hard to write as this. As we gear up for an unforgettable win at conclave I have been noticing that our lodge has a great deal of potential - in many ways, we are a sleeping giant, and we have the capability to demonstrate that we can be one of the best lodges in the section...the region...or even the nation.

I hope that all of you will plan to attend the Spring Ordeal as well as the Concave. These are the two biggest events of the year and as Allowat Sakima said, "Test the bow", - come and 'test' the lodge to see how fun the Order of the Arrow can be. This summer also has great opportunities especially, the OA high adventure opportunities at Philmont, Northern Tier, and OAOA - The OA Ocean Adventure. With training, and other OA members from around the country, you will be amazed and astounded at what we can get done. Join us for high adventure, you can still get in on the fun and the action. Your Ordeal may be complete, but the best is yet to come.

I am very grateful to all my brothers for their support as it is you who make the OA Scouting's national honor society. I look forward to seeing you at future lodge activities. Finally, always remember, "...those who choose you need you."

To the 69 new members that were inducted in April welcome. The lodge had a work party / Ordeal at Cutter Scout Reservation and provided 541 Man hours of service to the camp. Next will be Boulder Creek this October. We need as good a showing so we can provide BCSR with the same type of service.

As we go into summer all arrowmen and women should remember to take their sashes to summer camp and wear them proudly on the OA Day at whichever camp you are at. All arrowmen and women should make sure that your unit attends a summer camp, this is good for both the unit and the youth as it meets their requirements for advancement.

All arrowmen and women are encouraged to attend the May Council of Chiefs / Lodge Business Meeting on May 12, 2005. We will be electing new lodge leadership, changing bylaws, and other Lodge Business. The Council of Chiefs / Business meeting is at Foster Service Center at 7:30 pm. We will be having Pizza & Soda prior to the meeting. We need as many members at this meeting as possible.

Have a great and safe summer.
